### West Point

From the day of its founding on March 16, 1802, West Point has grown in its size and stature, but it remains committed to the task of producing commissioned leaders of character for America's Army. Today, the Academy graduates more than 900 new officers annually, which represents approximately 25 percent of the new lieutenants required by the Army each year. The student body, or Corps of Cadets, numbers 4,000, of whom approximately 15 percent are women.

Ever mindful of its rich heritage, West Point continues to prepare its graduates to serve as commissioned leaders of character in America's 21<sup>st</sup> Century Army. 2002 marks the bicentennial of this American "national treasure." Guided by its timeless motto, Duty, Honor, Country, the Military Academy is poised confidently to provide the Army and the Nation with its third century of service.
